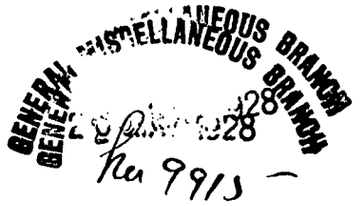
To

THE DEWAN OF THE GOVERNMENT OF H.H. THE MAHARAJAH OF MYSORE,

B A N G A L O R E.



Rec 9915 -

Sir,

I beg permission to present to you briefly as follows:-

I am a student of the Mysore Medical College encouraged by the benign Government to undergo a course for the M.B. degree.

May it be said, sir, that I belong to Backward Community, working my way up by sheer self-effort under adverse circumstances.

I have been a most faithfully servant of the Mysore Medical Department. I have managed to qualify myself for the higher study in ~~the~~ Medicine with great difficulty while discharging my duties. I have been granted by the Government leave without allowances to enable me to study, and in between the sessions of the College, I have offered to rejoin service, so that I may earn paltry allowances to provide means for the expensive course. Needless to say that I am utterly poor servant of the Government, without any private -- resources whatsoever, except Government service, aspiring to equip myself to render more efficient service to the State by higher -- education.

I beg to represent, Sir, that I am already half way through the arduous course and I pray that you would sympathise with my hard efforts and kindly arrange that I may be shown the simple concession of rejoining service during the break of the College Sessions.

I beg to remain,

Sir,

Your most obedient servant,

A. Rangaswamy.

To

Sir,

Med 23-27-178

With reference to your letter No. G. 13718/Med. 23-27-169 dated 13th June, 1928, forwarding for report, a copy of petition dated 25th May 1928 from Mr. A. Rangaswamy praying for permission to rejoin service between the sessions of the College, I have the honour to state that, on a previous occasion, he was permitted to do duty in the Mental Hospital, Bangalore, between the sessions of the College. Soon after joining the Hospital, he was found to be preparing coffee in the Compounding room for himself and two of the subordinates from the milk obtained from the Hospital kitchen. He took exception to the order recorded by the Superintendent in the order-book prohibiting the irregularity and would not sign in the book until I gave him a warning. His attitude to the Superintendent was thereafter one of in-subordination and impertinence. An instance of gross misbehaviour on his part has already been reported to Government in my letter No. G. C. 97-3 dated 21st October 1927.

From such abuse of the concession allowed to him on a previous occasion he has, I think, forfeited his claim for further concessions of the kind. Moreover, it is difficult to find a temporary place for him every time, for just the period intervening between the close of one session and the beginning of another. In these circumstances, I regret I do not see my way to re-entertain him for short intermittent periods.

I have the honour to be
Sir
Your most obedient servant
